Each year several thousand of our young men and women of the State of South Dakota reach the age of 21 years. In addition, many former citizens of foreign nations acquire citizenship in the United States. It is fitting that a day be set aside for all of us to give thought to the obligations that come to these new citizens and for us all to take a fuller realization of our responsibilities as citizens in our self-governing Republic.

NOW, THEREFORE, I, Harlan J. Bushfield, Governor of the State of South Dakota, do hereby designate May 19, 1940 as

CITIZENSHIP DAY

and I urge that the day be observed as a public occasion in recognition of citizens who have attained their majority or who have been naturalized within the past year. I further urge that the civil and educational authorities of the counties, cities and towns make plans for the proper observance of this day and for the full instruction of future citizens in their responsibilities and opportunities as citizens of the United States, State of South Dakota and of the counties in which they reside.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of South Dakota to be affixed.

DONE AT THE CAPITOL, in the City of Pierre, this 18th day of May, 1940.

Governor
